Meeting Summary

In the "Test Wilma Meeting," participants engaged in a light-hearted and informal discussion that featured a mix of intriguing stories and casual banter. Zayyan opened with a thrilling account of an art heist where thieves stole over half a billion dollars' worth of artwork, noting a tantalizing \$10 million reward for information about the culprits. The conversation then shifted to a humorous incident involving someone who accidentally swallowed an AirPods while sleeping, requiring a hospital visit for retrieval, with the surprising twist that the device still functioned afterward. Additional topics included casual references to a long journey from New Jersey, playful chatter about a recent gaming experience, and brief mentions of Starlink internet service and Calculus 2, creating a relaxed atmosphere of camaraderie among the participants.

Zayyan Essani: Suddenly nowadays this meeting is being recorded.

Zayyan Essani: Allowing the thieves to move through the museum for the next 81 minutes.

Zayyan Essani: They stole over half a billion dollars worth of art.

Zayyan Essani: And even though there's a 10 million dollar reward, the thieves and the art have never been found.

Zayyan Essani: Police cut the paintings from their frames, then step dashed them in a getaway car.

Zayyan Essani: You see, they had arrived in the middle of the night saying there was a disturbance.

Zayyan Essani: But suddenly they duct taped the museum guys.

Zayyan Essani: Dumbass man fucking swallowed his airpod while asleep.

Zayyan Essani: When he woke up, he fucking realized one was missing.

Zayyan Essani: He searched everywhere but couldn't find it.

Zayyan Essani: Then he fucking tried to fucking eat, but couldn't fucking swallow.

Zayyan Essani: Because the fucking airpod was fucking stuck in his fucking throat.

Zayyan Essani: He fucking rushed to the hospital where they fucking pulled the thing out.

Zayyan Essani: And guess What?

Zayyan Essani: The fucking AirPods still worked like new.

Zayyan Essani: And I know you're goofy ass.

Zayyan Essani: What do we have over here?

Zayyan Essani: What?

Zayyan Essani: Ramen chip airflow.

Zayyan Essani: Where you from?

Zayyan Essani: You came all the way from New Jersey?

Zayyan Essani: 21 hours.

Zayyan Essani: All right.

Zayyan Essani: Everything loaded up?

Zayyan Essani: I haven't.

Zayyan Essani: I mean this is what they're doing, they're doing there.

Zayyan Essani: You just made it up.

Zayyan Essani: That's crazy how they.

Zayyan Essani: They came over to us and took a picture.

Zayyan Essani: Yeah, all the way in the corner out of everyone.

Zayyan Essani: I guess you were just looking professionally or not like.

Zayyan Essani: We're not that bad.

Zayyan Essani: You know we're gonna lose.

Zayyan Essani: It's hack Arizona if he lose in hack Arizona.

Zayyan Essani: What's the point?

Zayyan Essani: What is the point?

Zayyan Essani: So, home ground.

Zayyan Essani: You have Starling at home?

Zayyan Essani: What?

Zayyan Essani: You have Starlink at home?

Zayyan Essani: The WI fi?

Zayyan Essani: Yeah.

Zayyan Essani: No bad though, right?

Zayyan Essani: Starlink is bad.

Zayyan Essani: Well, essentially the best.

Zayyan Essani: Calculus 2 Send it chats.

Zayyan Essani: No, it's not done.

Zayyan Essani: Let's do it.
